

A unique taste of seaside cuisine
At the Rezydent Sopot MGallery, cuisine has a special significance.
An innovative take on the "bistronomy" style combines exquisite cuisine
with a relaxed atmosphere, spicing up the time spent here with products
from local suppliers, including steaks, fish and cheese
uniquely prepared on hot Lava Stones.

The unique presentation of the chef's specialities and
cocktails, including the sea-inspired Iconic Cocktail Amber Dream,
the main ingredient of which is amber vodka, transforms the
